WHAT ?

AS FOR MY FOURTH CREATION KYOUSHIROU THERE IS LITTLE TIME LEFT

HE WAS THE SECOND OF MY RED CROSS KNIGHTS SO HIS BODY CONTAINS MORE OF MY FLESH AND BLOOD AND WILL NATURALLY BREAK DOWN FASTER

BUT YOU CAN'T BE SO SELFISH!! KYO WILL COME BACK I KNOW IT!! AND WE'LL WIN AND WE'LL BE HAPPY TOGETHER!!

I I DON'T KNOW WHAT YOU'RE TALKING ABOUT!!

KYAA!!

DO YOU CARE FOR HIM?

I WILL DESTROY THIS WORLD, AND THE FUTURE WILL BE MINE ISN'T THAT RIGHT, MY FORTUNE TELLER!?

AND YOU FORGET THE HALF-CENTURY OF MISERY CAUSED BY YOUR WARS...!!

BUT WHEN HAPPINESS ISN'T ENOUGH ANYMORE WAR AND DESTRUCTION BEGIN

YOU'LL RISK EVERYTHING TO FIGHT AGAINST ME YOUR KIND ALL SAY THE SAME THING

I HAVE [illegible] HUMANITY PEOPLE ARE SATISFIED BY THE SMALL THINGS HAPPINESS

BUT WHAT IS HAPPINESS AND HOW CAN THAT BE ENOUGH I HAVE FORGOTTEN IT ALL

AND WHEN A PERSON [illegible] HAPPINESS HE IS A FOOL READY TO STEAL THE HAPPINESS OF OTHERS

THAT IS WHY WHAT IS IN THAT IS THE START OF DESTRUCTION

THAT'S NOT TRUE [illegible]

AND IT HAS ALWAYS BEEN THIS WAY

THROUGHOUT HUMAN HISTORY, YOUR KIND HAVE ALWAYS REVERTED TO WAR!!

WE JUST NEED A FEW COMFORTS AND GOOD FRIENDS TO BE HAPPY, RIGHT? JUST BELIEVE THAT HE'LL COME BACK... RIGHT...?

WHAT IS

I... I CAN'T BEAR TO LOOK AT IT ANYMORE... SO I HAVE DECIDED THAT THE WORLD MUST BE RETURNED TO NOTHINGNESS.

IT IS BECAUSE THE UGLY PAST MUST BE PURGED...

SO IF HUMANS MUST CONTINUTE TO SATSIFY THEIR HOPES THEIR DESIRES THEIR LUSTS THEY CANNOT BE ALLOWED TO LIVE

When did we first start to walk in his footsteps; To get to where we are today?
His path was like a gentle wind, encouraging the embers of our lives; And as the mysteriously wind, a life such as his does not simply fade away…
But his true face is known but to a few, its deeds not yet have a proper name
Even the great battles he fought will soon fade from men's minds
But for a select few
From all men's minds

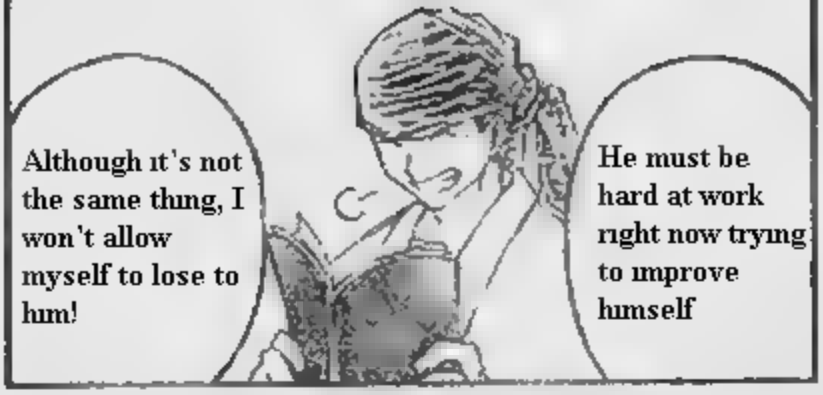
* A Medical house selling "Miracle cure all medicine"

The world resounds with the prosperity brought by our great lord!
The 12th year of our lord's reign (1607) and all is well!
There was a period of great uncertainty, but even since Lord Hidetada* took over we have experienced great prosperity.
He's matured a lot from when he was younger. Why, now he has a great presence not unlike his father's!
With him at the helm, the future of our country is secured..

*Bentora's real name

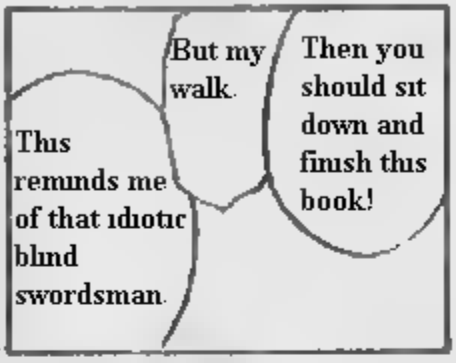
Lord Hideta.
He's so dedicated!
Right now he's learning how to host the festivities to come
Oh no
You are the general of a great country! Please be more serious!
I was just going out for a breath of fresh air! And anyway the weather is too good to stay indoors today I just couldn't stand sitting down for so long.
Lord Hidetada!
You...

He's been missing in the land of the Mibu for three years now I believe that he's still alive
Take me with you!
Lord Hidetada, don't tell me you were intending to go look for Kyo?
You've been very angry recently Is it because you can't find anyone to marry you?
It was a joke
You too have things that need to be done!
I don't intend to look for him.
I have things that I need to do
I will preserve this peace that Kyo sacrificed his life for. I will do whatever it takes. That is my promise to Kyo!



Although it's not the same thing, I won't allow myself to lose to him!
He must be hard at work right now trying to improve himself

Lord.

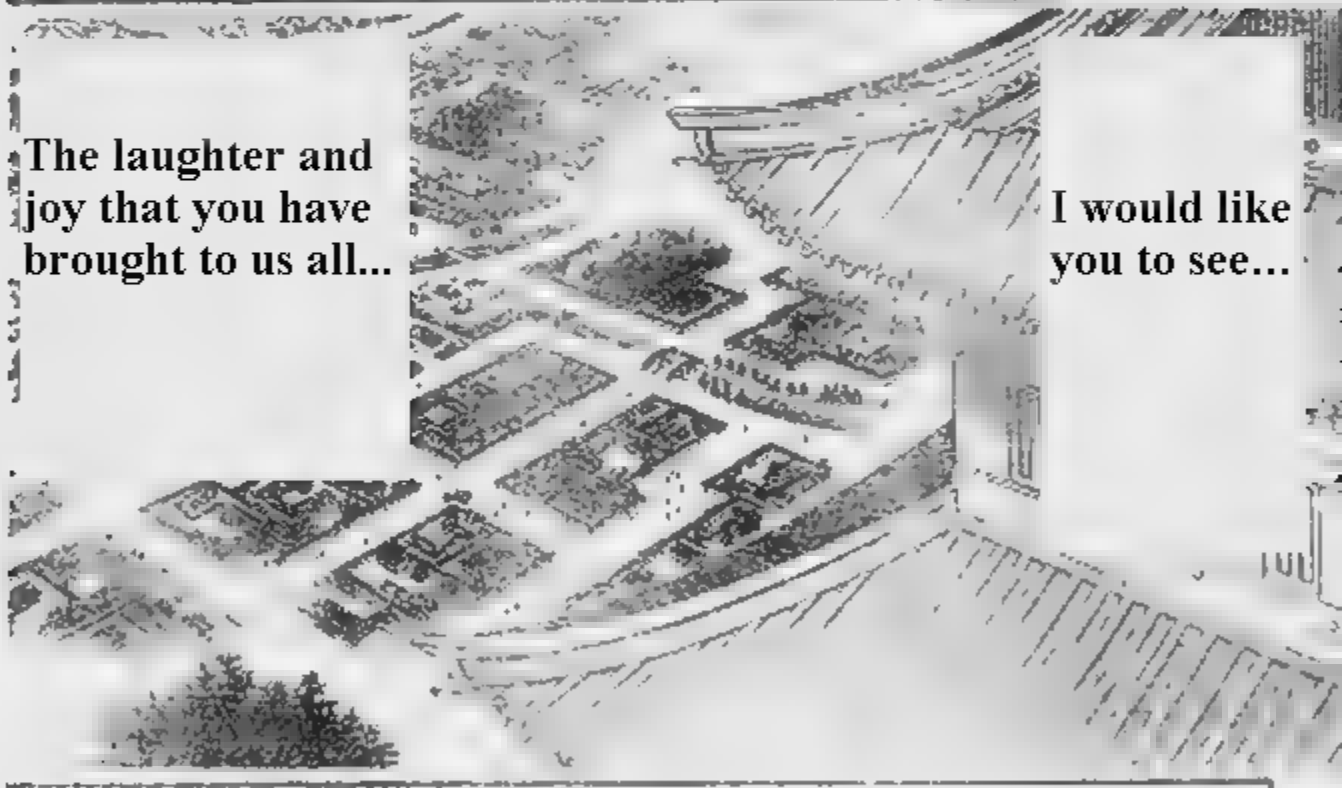


Then you should sit down and finish this book!
But my walk.
This reminds me of that idiotic blind swordsman.

I will never marry another I will stay by your side forever
Lord Hidetada.

If it's alright with you...

So Kyo...



The laughter and joy that you have brought to us all...
I would like you to see...

Is that alright, Kyo?

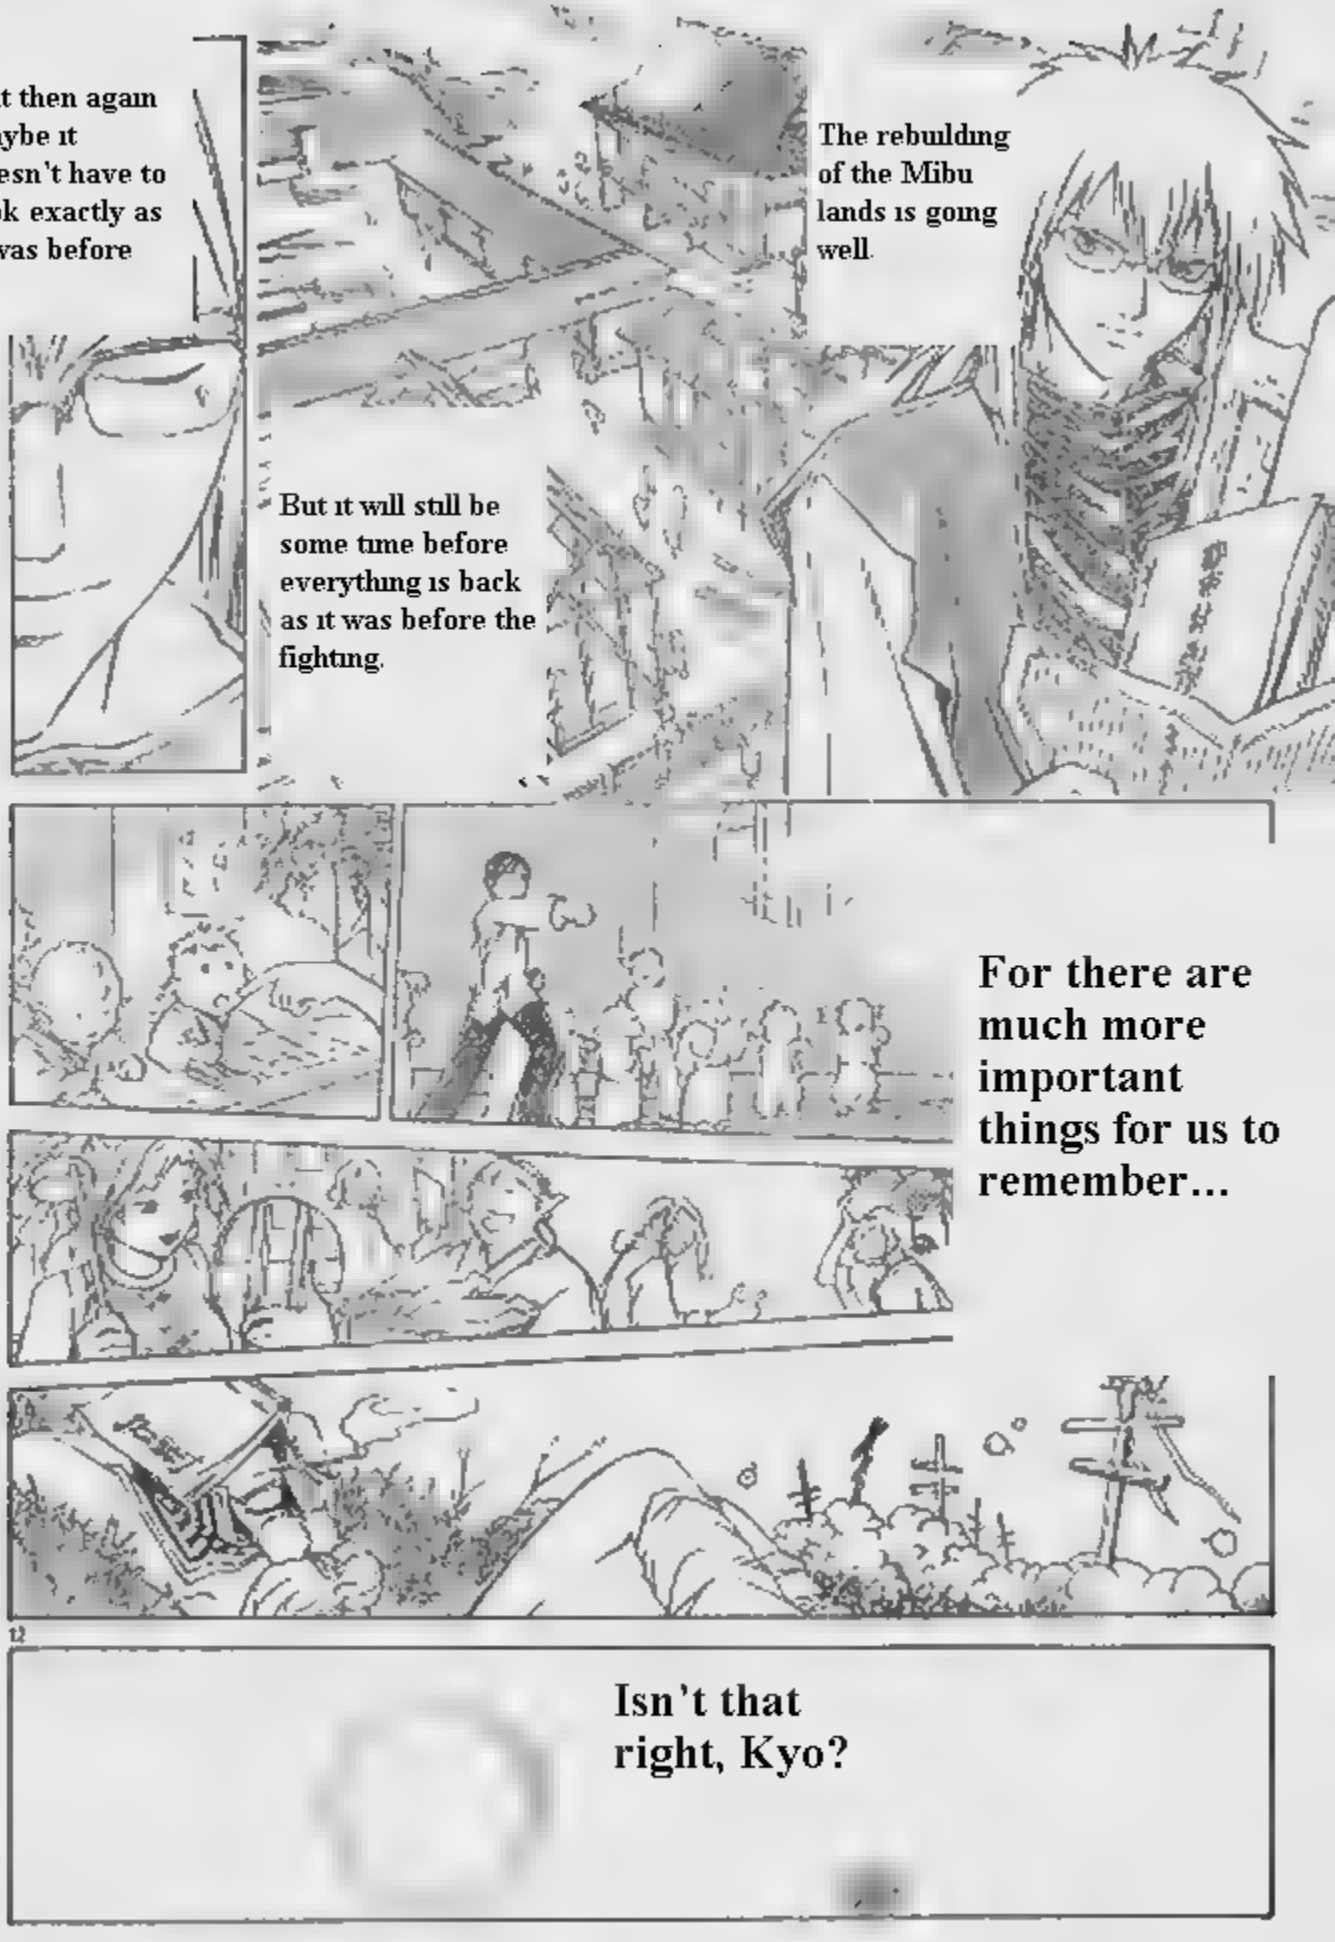
No matter how long you follow me I will not fight you again.
And anyway it's pointless to hide I'm blind, so I'm tracking you by your chi.
Stop talking so much and fight me! I won't lose to you this time!

So then shouldn't you go on home? I won't treat you nicely just because you're a girl.
Besides your chicky cup is waiting for you.
You! Are you planning to leave me here! I've got blisters on my feet! And they used to be such pretty feet too
First you will have to learn how to ask politely Good bye!
That's why it's ideal.
It's just sand, sand everywhere! I hate it!
Just where are we anyways?
Besides being able to train your leg muscles, you can learn how to calm yourself and to look deep inside yourself
I wonder how strong this training will make me
Kyo...
Hey, wait up! I'll beat you yet!

chomp
Chuna
It's rather far away
Thus Jiang Hu *
*Chinese term meaning "Martial arts world"
< You were the one who disrupted our military operations! >
<Tell us! Why did you do it? Speak!>
< Chinese >
Huh?
You there!

I want to become stronger than Kyo.
< Stop speaking in some weird language! Do you take us for fools? >
Although I don't understand what everybody is so upset about.
< What! >
< You... >
Huh?
< Chinese >
Kyo...

Yes, but I have to run a few test to be sure
Ruo-rou has Death Disease antibodies?
She was a rare breed created by Hishigi who was then taken in by the former Red King. I think that it's because he was aware that she was the only one who carried the anti-bodies that he took her in.
Even Sasuke doesn't carry any antibodies
Come on, with your help we could save tens of thousands of Mibus
Yeah!
If we're lucky I can concoct a serum to ensure the well being of the Mibu forever
Just a little blood.
I hate pain.
Let's get to work!



But then again maybe it doesn't have to look exactly as it was before
The rebuilding of the Mibu lands is going well.
But it will still be some time before everything is back as it was before the fighting.
For there are much more important things for us to remember...
Isn't that right, Kyo?

Just who do they think helped destroy the Mibu?
Nobody knows about the Mibu. Their destruction is lost to history Tokugawa has won, right
Hey
Darn it!
It's ironic isn't it Yukimura? Although fighting the Mibu was a good thing, in doing so we helped our greatest enemy gain power
Hey, these snacks are delicious Bontenmaru!
I'm talking to you!
Lord Yukimura...
Oh!
He looks scary today You had better go home now!
I'm worried about you!
Have you given up already?
It's fine, really

The stronger the enemy...
The more worthy he is of being beaten!
Is that right, Kyo...
Yukimura
But I don't think we will see him again.
What?
Sasuke
It's been three years already if he was still around things would be more interesting.
Even if he's still alive
I still believe that he's alive, and he will return to us some day
Without the threat of the Mibu there is no need for his strength. I think that a God would feel that his strength is no longer needed.

That has always been his way of doing things

Nobody knows where he came from and nobody knows where he will go next.

Kyo

He would understand this better than most.

The reason one becomes stronger and fights for others

I guess so

But I think that you've mistaken Kyo's reasons for fighting.

If Kyo does return to us, it will be for one reason only

* A wanted poster for Onime no Kyo

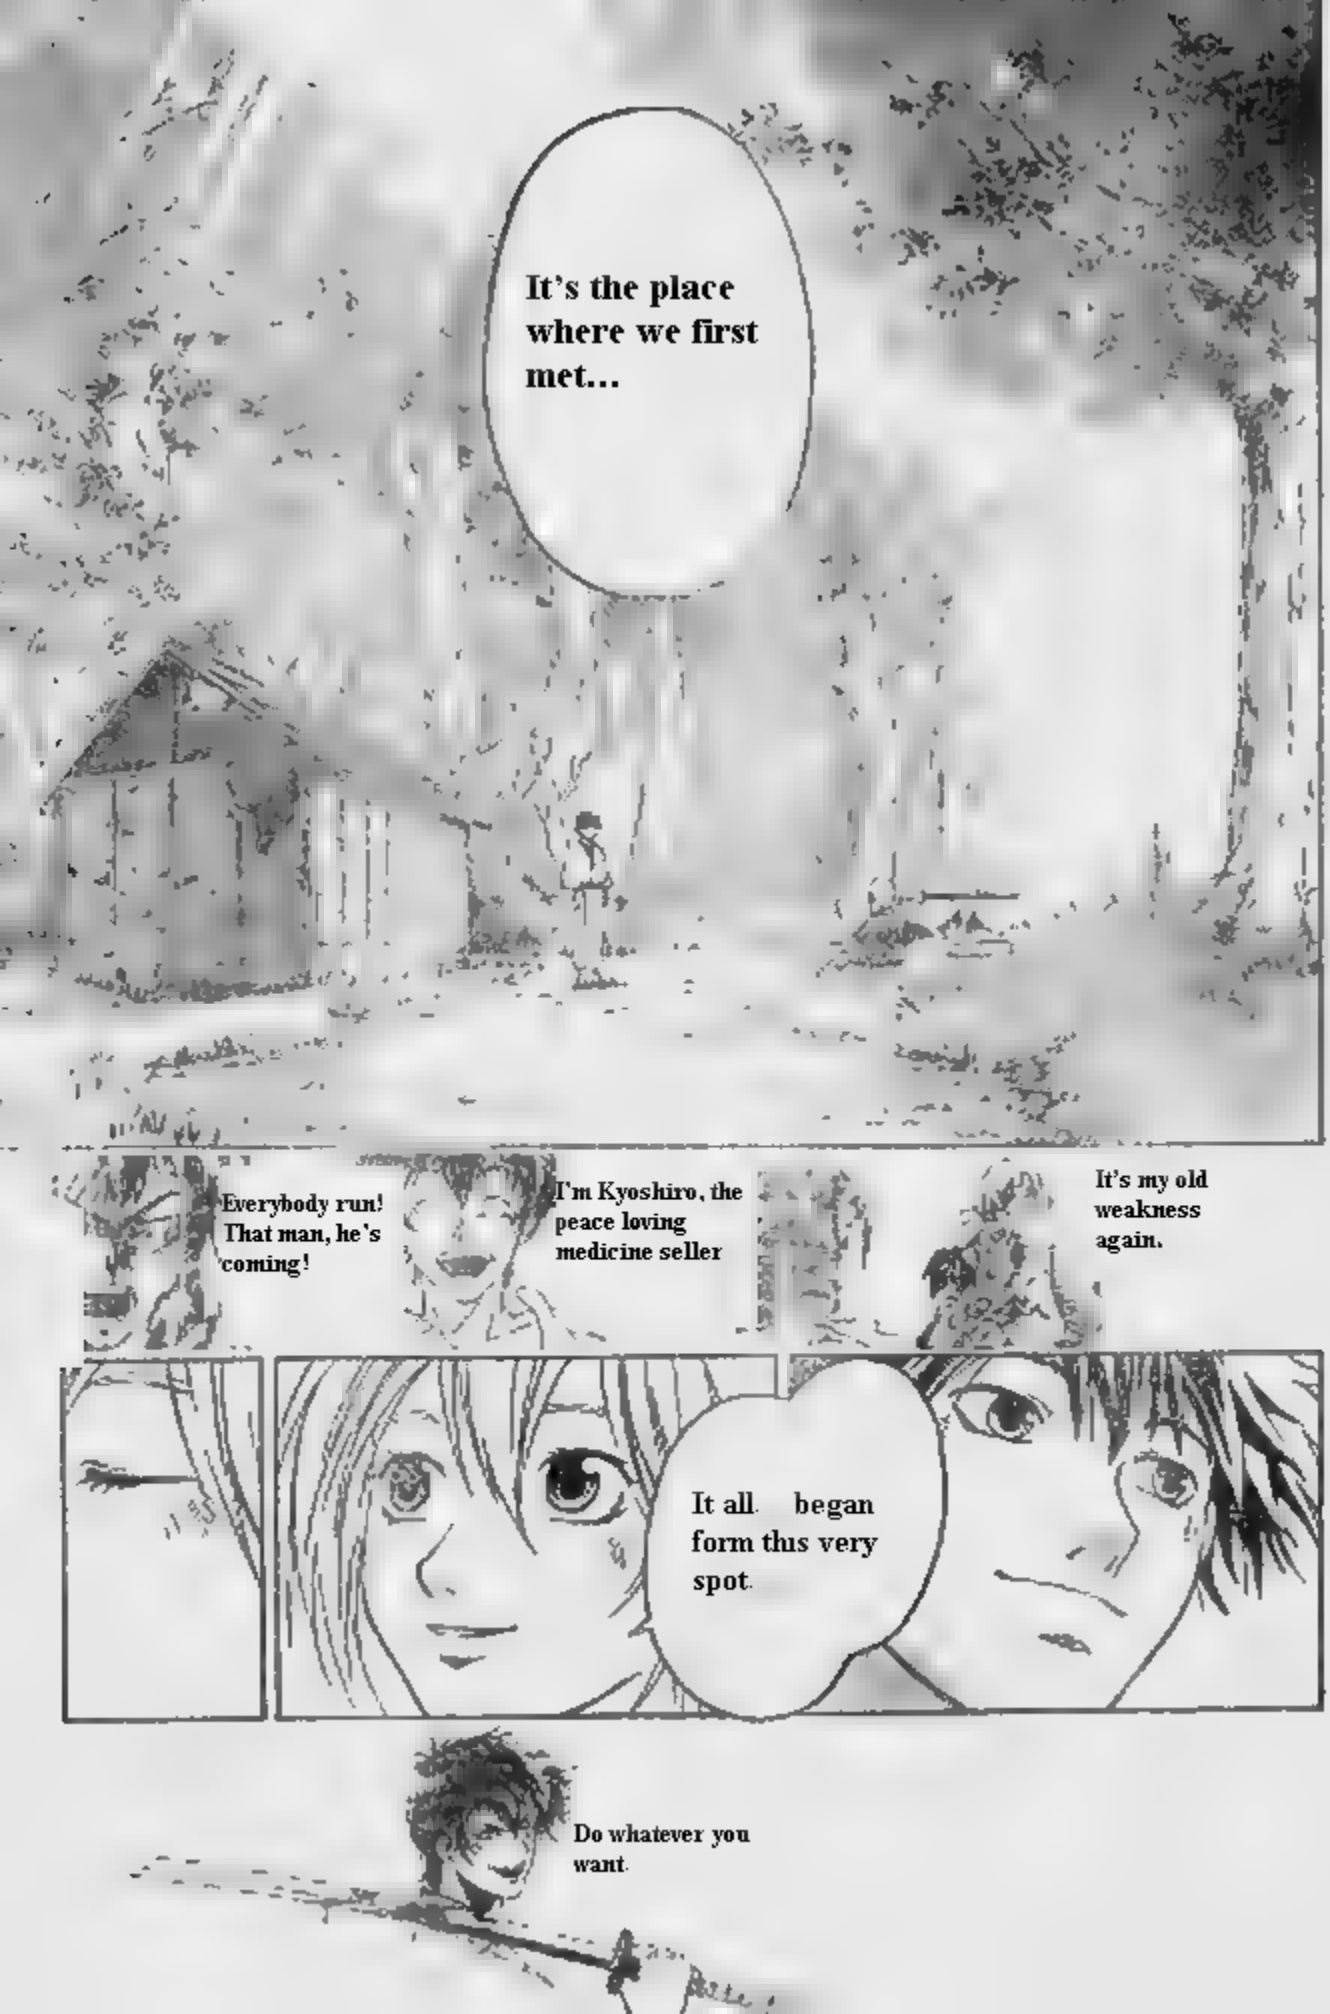
Even if he does have a reward posted for him, he's probably already dead.
I was wondering why a pretty girl like you was wandering around. He's just a legend, he doesn't exist!
Umm, about Onime no Kyo
Why don't we get to know each other a little better? After that, I will help you.
And anyway isn't it rather difficult for a frail girl like yourself to travel alone?
16
Don't look down on female bounty hunters!
Argh! Gun. gun.
Hey, you look familiar. I think I've seen you on a poster somewhere. Why don't we take a walk down to the police station?
Shut up! Kyo isn't dead! Do you know what he was fighting for?
Who do you think fought so that you could live in an era of peace? If you don't stop talking nonsense I will kill you!

Red Eyes!
...?
This feeling.
Kyo?
Argh! He's here!
You're really Kyo
Kyo

Ky
Kyoshuro!
Haha, my Red Eyes technique is getting better everyday By the way I was looking for you as well as Kyo
Don't
What?
Don't play such a stupid joke you idiot!
Haha! Did I scare you?

It was just a silly little joke
So why did you want to find me for?
It's Sakuya
Sorry
And do you think that joke was the way to do so?
I just wanted to cheer you up
Now's not the time! You don't understand my feelings at all!
I thought that you might want to know what she read about Kyo
She's been reading the stars
I knew that you would say that.
I believe that he is still alive I will find him with my own two hands
No need for that. .

Three years ago after the battle, we only managed to find his sword in the ruins
Since then it hasn't stopped shining. Since it's master Kyo is already dead, who could the sword be talking to?
Maybe his spirit is speaking to us through this sword.
Maybe
Didn't Julian say that Tenrou existed "beyond time and space"?
It's as if, it's calling out to somebody
And still the sword keeps on shining..
Yes .
Say Yuya, do you remember this place?

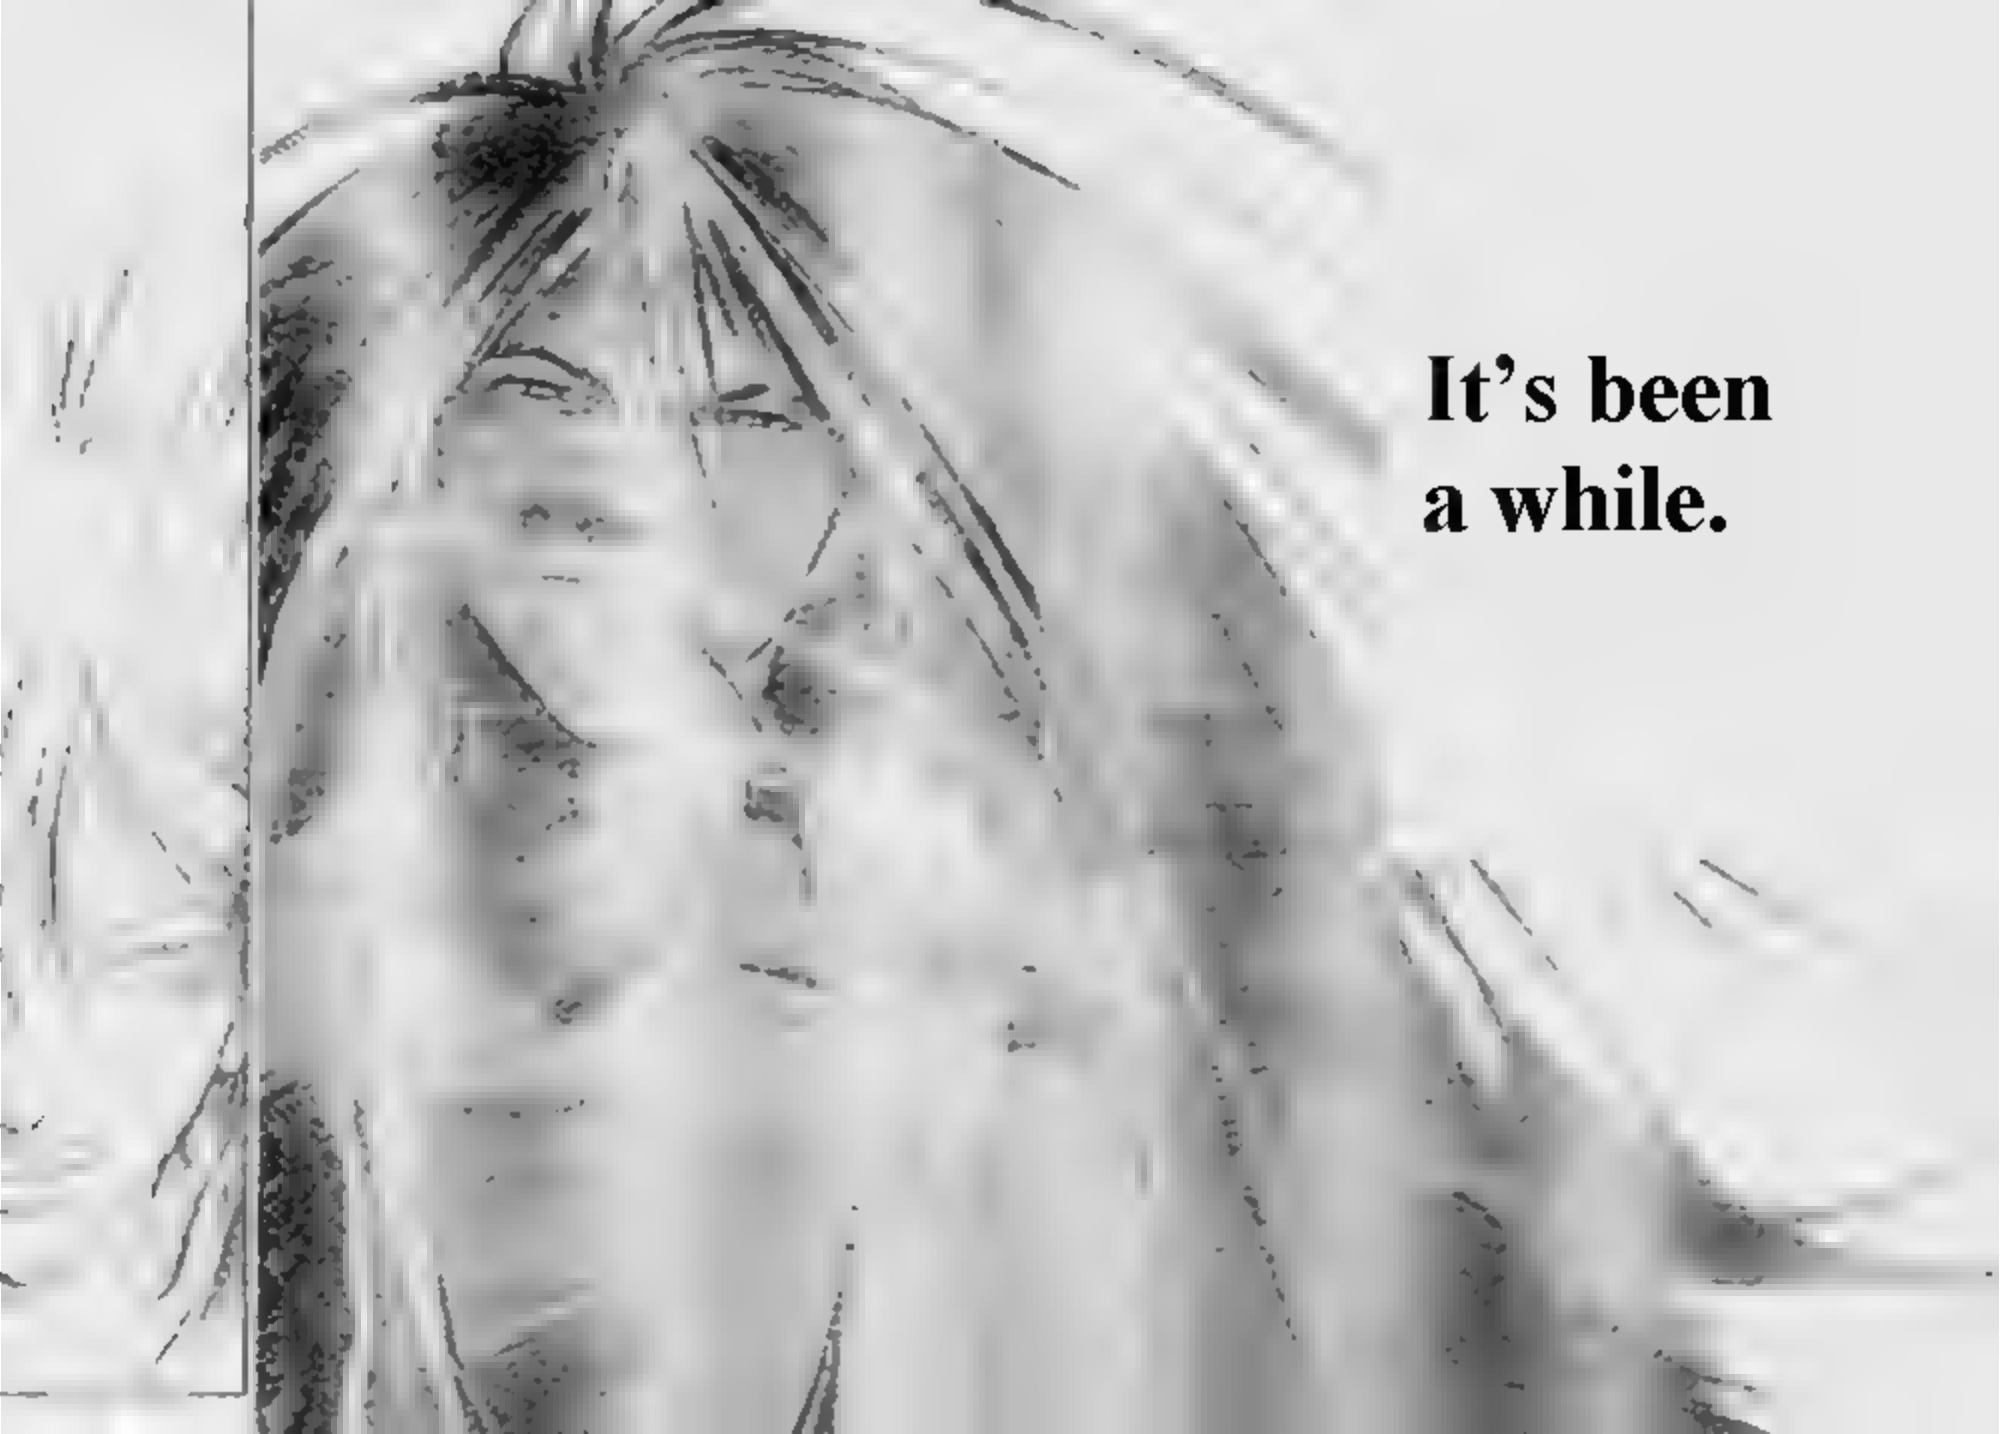


It's the place where we first met...
Everybody run! That man, he's coming!
I'm Kyoshiro, the peace loving medicine seller
It's my old weakness again.
It all began form this very spot.
Do whatever you want.

It started here...
It's decided! I'll join your side
I like strong men.
I'm Kyo's friend.
Let's see who wields the real Muramasa blade!
Isn't that right, Mr Samurai?
Our paths became one...
I'm legendary
Just try and stop me!
Thanks for your concern.
Anything is fine by me .
Tell me your secrets .
And then each of us...
The sword.
So I ended up is this place.
Kyo
Kyo
My voice
Kyo
Everybody's voice
Can you hear us?
Kyo
Too lonely
Can you hear me Kyo?
Without Kyo by my side, it's been too lonely

Escaping from the Red Tower was a simple task for somebody like me
But that stupid Tenrou had to waste time and transport me to some safe haven.
No thanks to that sword it took me quite some time to get back here
I'll deal with that stupid mutt later..

I've heard your voices... I have always heard them...
The sound... the sound of your voices calling me...



It’s been
a while.

History is nothing but the collection of the paths that people's lives take...
In the end it doesn't really matter what type of path your life takes...
So long as you push ahead without fear or doubt...

So long as you believe with all your heart... You will always be able to find your own true path!
The End
Thanks for all your support these past years. We will meet again!
A Powerpac Production

Samurai Deeper Kyo started way back in 1999 and it's been seven years since that day. In these seven years a lot has happened both to me and to the world at large. I have always used Kyo to convey "What I want the readers to know". Within the story there is also a central theme of "Always sticking to your beliefs in order to accomplish something". Come to think of it, that's rather a serious topic for a manga isn't it? Also another theme is "Live your life with passion!" To tell you the truth, sometimes I get very tired and don't even have the strength to lift my pen. Dear readers, your encouragement is what gets me through those tough times!

I know that so long as I'm willing to continue drawing, there will be people willing to read it. This is what inspires me to go on. I believe that society's ideas of right and wrong will change over time, but all that matters is that you find something that you believe in and work hard towards it. Well, the story of Kyo and his friends has come to an end. But he will continue to wield his sword with determination and passion !

Thanks for your support these past seven year!

Wow, do you already have the script ready?
Is it a sad story?
Searching
No ..
Hurry up and get back to work!
You're so eager to read my next story. I'm so touched!
Let me take a picture to remember this moment!
